VENTLESS ODORLESS COUNTERTOP

THE PERFECT FRY COMPANY

Since 1986, Perfect Fry is the leading supplier to the foodservice industry for countertop deep frying solutions. The easy to use multifunctional units are ventless and odorless fryers that can bring high quality food out from under the hood space in kitchens. Perfect Fry currently helps industries like convenience stores, bars and nightclubs, movie theaters, bowling alleys, concession stands, and more bring a better variety of superior dining options without installing overhead ventilation.

*With the strength of
Middleby standing behind us
and the manufacturing
history of Blodgett driving:
no other ventless fryer
company can deliver the
quality and support that we
can no one!*

Product Automatically Dispenses Food When Cook is Complete

The Profit Story

The Perfect Fry PFA Series offers the user unparalleled functionality. The *Rapid Fry Mode* automatically begins cooking the next batch of food when the preceding batch is finished and dispensed. All that staff has to do is continue feeding the machine and it will continue robotically cooking.

*Minimal staff time, minimal handling,
minimal prep time, maximum
efficiency.*
